### The Incarnate Josephine Butler Awards

New for this year is an awards evening that celebrates the amazing work of churches, projects and individuals in the North East. Awards of £1,000 each will be given to a project, a church, an individual and a student on the Saturday night.

For further details of the award categories and how to enter see [www.incarnate-ne.org](http://www.incarnate-ne.org) or call 0191 491 5700. *Entry deadline 31/05/09.*

Josephine Butler associated herself with down-and-outs and prostitutes who were subjected to devastating stigma and harsh legislation in the 19th Century. As a devout Christian she believed that no-one was beyond God's love and redemption. Josephine translated her faith into practical action, seeking to change attitudes by personal example, changes to discriminatory laws and setting up refuges for terminally ill women.
